INVENTION has revoluworld during the last half century Not
least among the wonders of inventive proprogress is a method and system of work
that can be performed all ove the country
without separating the workers from their
homes. Pay libers; any one can do the
work; either sex, young or old; no special
ability required. Capital not needed; you
are started free. Cut this out and return to
us and we will send you free, something of
great value and importance to you, that will
start you in business, which will bring you
in more money right away, than anything
else in the world. Graud outsit free. CAdsrees Tatin & Co., Augusta, Maine.
